We Are Gracie Barra

Gracie Barra is not just a martial arts academy; it's a legacy deeply rooted in Jiu-Jitsu history. Founded by Master Carlos Gracie Jr. in 1986, Gracie Barra has grown into one of the largest and most respected Jiu-Jitsu organizations worldwide.

We use cookies to personalise content and ads, to provide social media features and to analyse our traffic. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you've provided to them or that they've collected from your use of their services.

What is Jiu-Jitsu?

Brazilian Jiu-Jitsu (BJJ), often called the “Gentle Art,” is a martial art rooted in leverage, technique, and strategy over brute strength. It empowers individuals of all ages and body types to defend themselves effectively - without relying on size

At its core, Jiu-Jitsu is about control, discipline, and personal growth.

Through structured training, students develop not only self-defence skills but also confidence, resilience, and lifelong fitness. It's a journey of mental and physical transformation—on and off the mats.

"My life is dedicated to Jiu-Jitsu. My goal was simply to build a brotherhood to lead the expansion of BJJ while respecting the essence of our art. My students are an extension of my family. I want each one of them to achieve their personal best while helping spread Jiu-Jitsu. We must do that by honoring the traditions and efforts of those who came before us."

- Master Carlos Gracie Jr
